Item 1.01 Entry into a Material Definitive Agreement.

Purchase Agreement

On July 14, 2021, MoneyGram International, Inc. (the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with BofA Securities, Inc., as representative of the several initial purchasers named in Schedule A thereto (the “Initial Purchasers”), with respect to a private offering (the “offering”) by the Company of \$415 million aggregate principal amount of 5.375% senior secured notes due 2026 (the “notes”). The notes will be unconditionally guaranteed, jointly and severally, on a senior secured basis (collectively, the “guarantees”), initially by the Company’s subsidiaries that guarantee borrowings under the contemplated New Credit Agreement (as defined below), and by certain future wholly owned domestic subsidiaries. The offering of the notes is expected to close on July 21, 2021, subject to customary closing conditions.

The Purchase Agreement contains customary representations, warranties and agreements by the Company and customary conditions to closing, obligations of the parties and termination provisions. The Company has agreed to indemnify the Initial Purchasers against certain liabilities, including certain liabilities under the Securities Act of 1933, as amended (the “Securities Act”), or to contribute to payments the Initial Purchasers may be required to make because of any such liabilities.

The Company intends to use the net proceeds from the offering, together with borrowings under its contemplated new \$400 million senior secured credit facility (the “New Credit Agreement”), which it expects to enter into substantially concurrently with the closing of the notes offering, to prepay the full amount of indebtedness under its existing senior secured credit facilities, and to pay related accrued interest, fees and expenses. There is no assurance that the offering of the notes will be consummated or that the Company will be able to enter into the New Credit Agreement substantially concurrently with the issuance of the notes or at all.

This description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 8.01. Other Events.

On July 14, 2021, the Company issued a press release announcing the pricing of its previously announced private offering of the notes. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

The notes and related guarantees were offered only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act, or outside the United States to certain non-U.S. persons in compliance with Regulation S under the Securities Act. The issuance and sale of the notes and related guarantees have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction, and the notes and related guarantees may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and other applicable securities laws.

This Current Report on Form 8-K (and the exhibit hereto) shall not constitute an offer to sell or the solicitation of an offer to buy the notes and related guarantees. Offers of the notes and related guarantees may be made only by means of a private offering memorandum, and may not be made to any person in any jurisdiction in which such offer, sale or solicitation is unlawful.

BOFA SECURITIES, INC.

As Representative of the Initial Purchasers
One Bryant Park
New York, New York 10036

Ladies and Gentlemen:

Introductory. MoneyGram International, Inc., a Delaware corporation (the “**Company**”), proposes to issue and sell to BofA Securities, Inc. (“**BofAS**”) and the other several Initial Purchasers named in Schedule A (the “**Initial Purchasers**”), acting severally and not jointly, the respective amounts set forth in such Schedule A of \$415,000,000 aggregate principal amount of the Company’s 5.375% Senior Secured Notes due 2026 (the “**Notes**”). BofAS has agreed to act as the representative of the several Initial Purchasers (the “**Representative**”) in connection with the offering and sale of the Notes.

The Securities (as defined below) will be issued pursuant to an indenture, to be dated as of July 21, 2021 (the “**Indenture**”), among the Company, the Guarantors (as defined below) and Wells Fargo Bank, National Association, as trustee (the “**Trustee**”). Notes will be issued only in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the “**Depository**”) pursuant to a letter of representations, to be dated on or before the Closing Date (as defined in Section 2 hereof) (the “**DTC Agreement**”), among the Company, the Trustee and the Depository.

The payment of principal of, premium, if any, and interest on the Notes will be fully and unconditionally guaranteed on a senior secured basis, jointly and severally by (i) the entities listed on the signature pages hereof as “**Guarantors**” and (ii) any U.S. subsidiary of the Company formed or acquired after the Closing Date that executes an additional guarantee in accordance with the terms of the Indenture, and their respective successors and assigns (collectively, the “**Guarantors**”), pursuant to their guarantees (the “**Guarantees**”). The Notes and the Guarantees attached thereto are herein collectively referred to as the “**Securities**.”

In connection with the offering of the Securities, and as described in the Pricing Disclosure Package and the Final Offering Memorandum (each as defined below), concurrently with the closing of the issuance and sale of the Securities on the Closing Date (the “**New Credit Agreement**”), the Company and the Guarantors will enter into a first lien credit agreement on the Closing Date, by and among the Company, the Guarantors, the lenders named therein and Bank of America, N.A., as administrative agent and collateral agent (in such capacity, the “**New Credit Agreement Agent**”), which provides for a new secured term loan (the “**New Term Loan B**”) and a new revolving credit facility (collectively, with the New Term Loan B, the “**New Credit Facilities**”). As described in the Pricing Disclosure Package and the Final Offering Memorandum, the proceeds received by the Company from the offering of the Securities and the incurrence of the New Term Loan B are expected to be used to, among other things, repay the

Company's outstanding first lien and second lien term loans and to pay related fees and expenses. The issuance and sale of the Notes, the issuance of the Guarantees and the closing of the New Credit Facilities and the borrowings thereunder on the Closing Date, the repayment of the Company's outstanding first lien and second lien term loans and the payment of associated fees and expenses as described in the Pricing Disclosure Package (as defined below) are referred to herein collectively, as the "**Transactions.**"

The Notes will be secured on a *pari passu* basis with any existing and future senior indebtedness, by a first-priority lien on the assets (the "**Collateral**") of the Company and the Guarantors that have been pledged on a first priority basis as collateral securing the New Credit Facilities as more particularly described in the Pricing Disclosure Package and documented by a security agreement dated as of the Closing Date (the "**Security Agreement**"), and other instruments evidencing or creating a security interest (collectively, with the Intercreditor Agreement referred to below, the "**Security Documents**") in favor of Wells Fargo Bank, National Association, as collateral agent (in such capacity, the "**Collateral Agent**"), for its benefit and the benefit of the Trustee and the holders of the Notes.

The liens on the Collateral securing the Securities will be subject to an Intercreditor Agreement, dated as of the Closing Date (the "**Intercreditor Agreement**"), by and between the Collateral Agent and the New Credit Agreement Agent, and acknowledged by the Company and the Guarantors.

This Purchase Agreement ("Agreement"), the DTC Agreement, the Securities, the Security Documents, the New Credit Agreement and the Indenture are referred to herein as the "**Transaction Documents.**"

The Company understands that the Initial Purchasers propose to make an offering of the Securities on the terms and in the manner set forth herein and in the Pricing Disclosure Package (as defined below) and agrees that the Initial Purchasers may resell, subject to the conditions set forth herein, all or a portion of the Securities to purchasers (the "**Subsequent Purchasers**") on the terms set forth in the Pricing Disclosure Package (the first time when sales of the Securities are made is referred to as the "**Time of Sale**"). The Securities are to be offered and sold to or through the Initial Purchasers without being registered with the Securities and Exchange Commission (the "**Commission**") under the Securities Act of 1933 (as amended, the "**Securities Act**," which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder), in reliance upon exemptions therefrom. Pursuant to the terms of the Securities and the Indenture, investors who acquire Securities shall be deemed to have agreed that Securities may only be resold or otherwise transferred, after the date hereof, if such Securities are registered for sale under the Securities Act or if an exemption from the registration requirements of the Securities Act is available (including the exemptions afforded by Rule 144A under the Securities Act ("**Rule 144A**") or Regulation S under the Securities Act ("**Regulation S**").

The Company has prepared and delivered to each Initial Purchaser copies of a preliminary offering memorandum, dated July 12, 2021 (the "**Preliminary Offering Memorandum**"), and has prepared and delivered to each Initial Purchaser copies of a Pricing Supplement, dated July 14, 2021 (the "**Pricing Supplement**"), describing the terms of the Securities, each for use by such Initial Purchaser in connection with its solicitation of offers to purchase the Securities.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Sections 4, 6, 8 and 9 hereof shall at all times be effective and shall survive such termination.

(a) Offers and sales of the Securities will be made only by the Initial Purchasers or Affiliates thereof qualified to do so in the jurisdictions in which such offers or sales are made. Each such offer or sale shall only be made to persons whom the offeror or seller reasonably believes to be Qualified Institutional Buyers or non-U.S. persons outside the United States to whom

the offeror or seller reasonably believes offers and sales of the Securities may be made in reliance upon Regulation S upon the terms and conditions set forth in Annex I hereto, which Annex I is hereby expressly made a part hereof.

(b) No general solicitation or general advertising (within the meaning of Rule 502 under the Securities Act) will be used in the United States in connection with the offering of the Securities.

(c) Upon original issuance by the Company, and until such time as the same is no longer required under the applicable requirements of the Securities Act, the Company shall ensure that the Notes shall bear the following legend:

“THIS SECURITY HAS NOT BEEN, AND IS NOT EXPECTED TO BE, REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. NEITHER THIS SECURITY NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS SUCH TRANSACTION IS EXEMPT FROM, OR NOT SUBJECT TO, SUCH REGISTRATION. THIS LEGEND SHALL BE REMOVED UPON THE REQUEST OF THE HOLDER AFTER THE RESALE RESTRICTION TERMINATION DATE.”

Following the sale of the Securities by the Initial Purchasers to Subsequent Purchasers pursuant to the terms hereof, the Initial Purchasers shall not be liable or responsible to the Company for any losses, damages or liabilities suffered or incurred by the Company, including any losses, damages or liabilities under the Securities Act, arising from or relating to any resale or transfer of any Security.

SECTION 8. **Indemnification.**

(a) **Indemnification of the Initial Purchasers.** Each of the Company and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Initial Purchaser, its affiliates, directors, officers and employees, and each person, if any, who controls any Initial Purchaser within the meaning of the Securities Act and the Exchange Act (each an “**Initial Purchaser Indemnitee**”) against any loss, claim, damage, liability or expense, as incurred, to which such Initial Purchaser Indemnitee may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company or is otherwise permitted under Section 8(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Initial Purchaser Indemnitee for any and all out-of-pocket expenses (including the fees and disbursements of one external counsel chosen by the Representative) as such expenses are reasonably incurred and documented by such Initial Purchaser Indemnitee in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall

not apply, with respect to an Initial Purchaser, to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by such Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 8(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) **Indemnification of the Company and the Guarantors.** Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each Guarantor, each of their respective directors and each person, if any, who controls the Company or any Guarantor within the meaning of the Securities Act or the Exchange Act (each, a “**Company Indemnitee**”), against any loss, claim, damage, liability or expense, as incurred, to which the Company Indemnitee may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Initial Purchaser), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by such Initial Purchaser through the Representative expressly for use therein; and to reimburse each Company Indemnitee for any and all out-of-pocket expenses (including the fees and disbursements of one external counsel) as such expenses are reasonably incurred and documented by such Company Indemnitee in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. Each of the Company and the Guarantors hereby acknowledges that the only information that the Initial Purchasers through the Representative have furnished to the Company expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto) are the statements set forth in (i) the third sentence of the sixth paragraph and (ii) the ninth paragraph, in each case of clauses (i) and (ii), the under the caption “Plan of Distribution” in the Preliminary Offering Memorandum and the Final Offering Memorandum. The indemnity agreement set forth in this Section 8(b) shall be in addition to any liabilities that each Initial Purchaser may otherwise have.

(c) **Notifications and Other Indemnification Procedures.** Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party

under this Section 8, notify the indemnifying party in writing of the commencement thereof; provided that the failure to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 8 except to the extent that it has been materially prejudiced by such failure (through the forfeiture of substantive rights and defenses) and shall not relieve the indemnifying party from any liability that the indemnifying party may have to an indemnified party other than under this Section 8. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof (other than the reasonable costs of investigation) unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel (in each jurisdiction)), which shall be selected by the Representative (in the case of counsel representing the Initial Purchasers or their related persons), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) **Settlements.** The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by this Section 8 effected without its written consent if (i) such settlement is entered into more than 90 days after receipt by such indemnifying party of such request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 60 days prior to such settlement and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement. No indemnifying

party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (y) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

SECTION 9. Contribution. If the indemnification provided for in Section 8 hereof is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, and the total discount received by the Initial Purchasers bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors, on the one hand, or the Initial Purchasers, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 8 hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 9; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 8 hereof for purposes of indemnification.

The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 9.

Notwithstanding the provisions of this Section 9, no Initial Purchaser shall be required to contribute any amount in excess of the discount received by such Initial Purchaser in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations to contribute pursuant to this Section 9 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule A. For purposes of this Section 9, each director, affiliate, officer and employee of an Initial Purchaser and each person, if any, who controls an Initial Purchaser within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Initial Purchaser, and each director of the Company or any Guarantor, and each person, if any, who controls the Company or any Guarantor with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company and the Guarantors.

SECTION 10. Termination of this Agreement. Prior to the Closing Date, this Agreement may be terminated by the Representative by notice given to the Company if at any time: (i) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by the Nasdaq or in any over-the-counter market, or trading in securities generally on either the Nasdaq or the NYSE shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchange by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any of federal, New York or Delaware authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Representative is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities in the manner and on the terms described in the Pricing Disclosure Package or to enforce contracts for the sale of securities; or (iv) in the judgment of the Representative there shall have occurred any Material Adverse Change. Any termination pursuant to this Section 10 shall be without liability on the part of (i) the Company or any Guarantor to any Initial Purchaser, except that the Company and the Guarantors shall be obligated to reimburse the expenses of the Initial Purchasers pursuant to Sections 4 and 6 hereof, (ii) any Initial Purchaser to the Company, or (iii) any party hereto to any other party except that the provisions of Sections 8 and 9 hereof shall at all times be effective and shall survive such termination.

SECTION 11. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, the Guarantors, their respective officers and the several Initial Purchasers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Initial Purchaser, the Company, any Guarantor or any of their officers, directors, affiliates, agents, or any controlling person or other person referred to in Section 8, as the case may be, and will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

The term "successors" shall not include any Subsequent Purchaser or other purchaser of the Securities as such from any of the Initial Purchasers merely by reason of such purchase.

SECTION 14. **Authority of the Representative.** Any action by the Initial Purchasers hereunder may be taken by the Representative on behalf of the Initial Purchasers, and any such action taken by the Representative shall be binding upon the Initial Purchasers.

SECTION 15. **Partial Unenforceability.** The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

SECTION 16. **Governing Law Provisions.**

(a) **New York Law.** This agreement and any claim, controversy or dispute arising under or related to this agreement shall be governed by and construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed in such state without regard to conflicts of law principles thereof.

(b) **Consent to Jurisdiction.** Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby ("**Related Proceedings**") may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the "**Specified Courts**"), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding a "**Related Judgment**", as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. (c) **Waiver of Jury Trial.** Each of the parties hereto hereby waives any right to trial by jury in any suit or proceeding arising out of or relating to this Agreement.

SECTION 17. **Default of One or More of the Several Initial Purchasers.** If any one or more of the several Initial Purchasers shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate number of Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase does not exceed 10% of the aggregate number of the Securities to be purchased on such date, the other Initial Purchasers shall be obligated, severally, in the proportions that the number

of Securities set forth opposite their respective names on Schedule A bears to the aggregate number of Securities set forth opposite the names of all such non-defaulting Initial Purchasers, or in such other proportions as may be specified by the Initial Purchasers with the consent of the non-defaulting Initial Purchasers, to purchase the Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase on the Closing Date. If any one or more of the Initial Purchasers shall fail or refuse to purchase Securities and the aggregate number of Securities with respect to which such default occurs exceeds 10% of the aggregate number of Securities to be purchased on the Closing Date, and arrangements satisfactory to the Initial Purchasers and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 4, 6, 8 and 9 hereof shall at all times be effective and shall survive such termination. Any action taken under this Section 17 shall not relieve any defaulting Initial Purchaser from liability in respect of any default of such Initial Purchaser under this Agreement.

SECTION 18. No Advisory or Fiduciary Responsibility. Each of the Company and the Guarantors acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Guarantor, on the one hand, and the several Initial Purchasers, on the other hand, and the Company and the Guarantors are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Initial Purchaser is and has been acting solely as a principal and is not the agent or fiduciary of the Company, and the Guarantors or their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Initial Purchaser has assumed or will assume an advisory or fiduciary responsibility in favor of the Company and the Guarantors with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising the Company and the Guarantors on other matters) or any other obligation to the Company and the Guarantors except the obligations expressly set forth in this Agreement; (iv) the several Initial Purchasers and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Guarantors, and the several Initial Purchasers have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Initial Purchasers have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby, and the Company and the Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Guarantors and the several Initial Purchasers, or any of them,

with respect to the purchase and sale of the Securities. The Company and the Guarantors hereby waive and release, to the fullest extent permitted by law, any claims that the Company and the Guarantors may have against the several Initial Purchasers with respect to any breach or alleged breach of fiduciary duty.

SECTION 19. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Initial Purchaser that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Initial Purchaser of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Initial Purchaser that is a Covered Entity or a BHC Act Affiliate of such Initial Purchaser becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Initial Purchaser are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

MoneyGram Announces Pricing of Private Offering of \$415 Million of Senior Secured Notes

DALLAS, July 14, 2021 /PRNewswire/ — MoneyGram International, Inc. (NASDAQ: MGI) (“MoneyGram” or the “Company”) today announced the pricing of its previously announced private offering of \$415 million aggregate principal amount of 5.375% senior secured notes due 2026 (the “notes”) and related guarantees. The offering is expected to close on July 21, 2021, subject to customary closing conditions.

The notes will be unconditionally guaranteed, jointly and severally, on a senior secured basis (collectively, the “guarantees”), initially by the Company’s subsidiaries that guarantee borrowings under its contemplated new \$400 million secured credit facility (the “New Credit Agreement”), which it expects to enter into substantially concurrently with the closing of the notes offering, and by certain future wholly owned domestic subsidiaries (the “guarantors”). The notes will be secured, on an equal and ratable, first-priority basis with obligations under our New Credit Agreement by liens on substantially all of the assets of the Company and the guarantors, subject to certain exceptions and intercreditor arrangements. There is no assurance that the Company will be able to consummate the notes offering or enter into the New Credit Agreement simultaneously with the issuance of the notes or at all.

The notes will mature on August 1, 2026. Interest on the notes will accrue at a rate of 5.375% per annum and will be payable semi-annually in arrears on February 1 and August 1 of each year, commencing on February 1, 2022, unless earlier redeemed or repurchased in accordance with their terms.

The notes and related guarantees are being offered only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to certain non-U.S. persons in compliance with Regulation S under the Securities Act. The issuance and sale of the notes and related guarantees have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction, and the notes and related guarantees may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and other applicable securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy the notes and related guarantees. Offers of the notes and related guarantees may only be made by means of a private offering memorandum, and may not be made to any person in any jurisdiction in which such offer, sale or solicitation is unlawful.
