## MoneyGram's Enhanced Bill Pay Service Available with Mobile App

DALLAS, July 28, 2015 /PRNewswire/ -- [MoneyGram](#) (NASDAQ: MGI), a global provider of innovative money transfer and payment services, announces today that customers can access MoneyGram's convenient bill payment service on their mobile devices through the new MoneyGram mobile application or from their desktop at the new [MoneyGram.com](#).

The MoneyGram bill pay service has been redesigned to deliver a superior customer experience. Customers can pay their utility bills, car note or even healthcare bills quickly and securely when they're on the go, or at home. The new platform also allows customers to check their bill pay history.

"MoneyGram has put quick and convenient bill pay service right at our customer's fingertips," says Andrew Typrin, MoneyGram's vice president of global product. "MoneyGram is pleased to build upon the investments we are making to our digital business and we are committed to bringing to the market new and enhanced experiences that our customers need, whenever and wherever they need them."

The announcement comes just weeks after MoneyGram unveiled its new state-of-the-art [MoneyGram.com](#), the latest generation in digital money sending for web and mobile apps. The new digital offerings reflect the company's commitment to making payments and transfers easier and faster for customers connecting with loved ones.
